Is he a nose tackle? Is he a defensive end

Buffalo Bills brain consultant Chan Gailey balks along categorizing him. Williams himself can't actually affirm either

One thing's as sure: Williams is a quality defensive lineman wherever he lines up and deserves to be chosen as the Pro Bowl.

[+] Enlarge Rick Stewart/Getty Images Kyle Williams has taken the Bills' transition to the 3-4 surrounded stride, sports jersey stores, create your own football jersey, collecting five sacks this season. "Kyle's not a typical anything, Nike NFL combat uniforms," Gailey said. "He actually isn't. He's one amazing fellow. He's got uncommon quickness, personalized basketball jerseys, uncommon competitiveness, Nike 2012, uncommon strength.

"He equitable doesn't have the body that everybody thinks is a typical nose guard. Everything else is typical nose guard except faster."

Williams officially is listed as a nose tackle. He leads the Bills and all NFL nose tackles with five sacks, NHL jersey, an unusually high measure as that position. Nose tackles often come off the field aboard passing downs. He has recorded a team-high 13 tackles as detriment

Tackles aren't one official stat, make your own NBA jersey, but in-game statisticians say Williams leads all NFL defensive linemen with 60, hockey practice jersey, meantime the Bills' coaching layer credits him with 72.

Versatility has been Williams' biggest asset. He has lined up over the hub outside the tackle and every breach among between. He'll need to be even more adaptable with defensive annihilate Dwan Edwards likely out with a hamstring injury as Sunday's game against the Minnesota Vikings.

"You can both play football, or you can't, Russian hockey jersey," Williams said, Chicago Bears jersey, a annotate that might appear arrogant among print merely comes off humble within his Louisianan twang. "If you allow me to go out and just activity and get after guys, youth football jerseys, majestic baseball jersey, I don't really attention what we're deed I could get the job done no matter what they're asking me to do."

Williams wasn't sure what would occur when the Bills' current coaching staff converted them into a 3-4 barricade

He had a colossal 2009 season. In impartial 14 games he collected a career-high four sacks as a 4-3 defensive tackle. FootballOutsiders.com credited him with nine hits and 13 hurries. His nine hits ranked fourth between all NFL defensive tackles later Darnell Dockett, authentic college football jerseys, Kevin Williams and Cory Redding. Dockett and Kevin Williams were Pro Bowlers last annual

Another notable stat from Football Outsiders: Kyle Williams made 8.6 percent of the Bills' defensive plays (tackles, Notre Dame football jersey, 2012 Nike NFL jerseys, Reebok football jersey, pass deflections, replica NHL jerseys, interceptions, NFL women's jersey, baseball jersey numbers, Customized MLB Kids Jerseys, fumbles forced and grope recoveries) among his 14 games last annual. No other NFL defensive tackle made that much

"I didn't know how [the new 3-4 barricade was going to see as far as what they were going to be asking me to do, football jersey designer, cheap MLB jerseys," Kyle Williams said. "I knew that I could be prolific no matter what they were asking me to do.

"They differentiate me what they paucity me to do and how they absence me to activity certain things. Then there's other defenses that we're within and they equitable absence me to go out and just activity and acquaint some things happen

Williams has been generating some Pro Bowl hum lately. That's tough as a defensive lineman to

do aboard a 2-9 club with the 26th aggregate defense and perfect worst flee barricade

"It would be a colossal credit Williams said. merely at this point, Custom Nike NFL Youth Jerseys, nike new nfl uniforms, the access the year's gone as us, steelers jersey, it'd be a bittersweet handle I'd much rather get attention being on a team that's going into a playoff run or that's fighting as the division guide

"But I'm going to kind of do what I've always done. I'm going to go out and practice hard. I'm going to activity hard. If anything favor that happens, cheap sport jerseys, create football jersey, it happens. I can't control that. All I can control is how I go and trying to knocked the Vikings this week."
